You may notice a similar theme in Sermons this weekend at churches across the nation.

More than 100 churches will take part in National Porn Sunday.

Four of the churches are here in Cincinnati.

The event is designed to get congregations talking about pornography and how it effects the family.

Many of the congregations will fast and pray leading up to the service on Sunday.

Four Corners Church in West Chester is one of those taking part in the event this Sunday.

Services start at 10:00 a.m.
