

## **There's more than one reason to shout out the Lord's name. And you'll hear them all this weekend at the Everything To Do With Sex Show**

By [MIKE STROBEL](#)

The Bible has some pretty steamy scenes. A lot of begettin' going on.

But no pictures.

And for sure nothing like you will find at this weekend's Everything To Do With Sex Show at the CNE grounds.

God is everywhere, though, and His presence is strongest at Booth 1527.

Jesus Loves Porn Stars, the banner says.

There, churchgoers will hand out free Bibles. The Automotive Building houses many sinners this weekend, so they have brought 2,500 Bibles and expect them to go fast.

Maybe they will even outdraw the chocolate penises in the next stall.

The house of the Lord has come to the sex show. Actually, two houses. The Discovery Church, of Bowmanville, is the local ally of American porn-fighter XXXChurch.com.

The latter is making its first foray into Canada.

Co-founder Mike Foster says God spoke to him in the shower five years ago. "Triple X," He said.

Ever since, XXXChurch has held Porn and Pancakes breakfasts and set up shop at sex trade shows.

Members distribute groovy little Bibles inscribed Jesus Loves Porn Stars and ask if anyone wants to walk a purer path. They are careful not to preach to the perverted.

"We are not here to bring down the porn industry," says Discovery's Peter Kooger, 32, unloading Bibles at the booth.

"We're like AA is to alcoholism. We're here for anyone who wants to get out of it."

LOTS OF LUBE

When the show opens later today, ([everythingtodowithsex.com](http://everythingtodowithsex.com)), Peter will roam outside the building, praying his brethren inside are not overwhelmed by what they see.

Good luck with that, Peter. Every kind of dildo, whip, lube, harness, chain, stiletto, swing, ring, thong, dong, dungeon, bustier and blowup doll will be on display. It is amazing what you can strap on these days.

The congregation will love the fake orgasm contest.

"I find that I am walking with my eyes on the carpet," says Pastor Martin Spoelstra, 41.

"If I could snap my fingers and make this go away, I would. But the reality is, it won't.

"But I also believe God has hope for the people here as much as anywhere."

Amen. The porn people even kind of like these guys.

"We were really skeptical at first," says show spokesman Mikey Singer, 28. "Were they going to make trouble?"

"But the people at other shows said the XXXChurch people were fine. And their Bibles are kind of cute.

"I don't agree with their message, though. Someone was arrested in Texas for selling a vibrator in a lingerie shop.

"We don't want to go back to the 50s when sex was considered a bad thing."

The XXXChurch's pink, yellow and blue Porn Mobile is headed to T.O. from home base in Michigan when I reach spokesman Brandon Piety, 22.

That your real name?

"Yessir. Legally."

XXXChurch's list of the saved-from-porn includes such stars as Sierra Sinn and filmmaker Donny Pauling.

"Some people say, 'Oh, you're getting too close to porn by going to the shows,' " says

Piety.

"It was shocking at first. But then you see through it all, through the glam. They're just people doing their thing.

"We'll help if they want help. It's what we're called to do."

Here comes a likely candidate, in heels and a sailor suit.

'THOUGHT IT WAS A JOKE'

Maxine X, 32, is Canada's Top Fetish Porn Star. Her stock in trade includes bondage and some things I can't mention.

Her 41 videos include Asian Heat, Stocking Stuffers and Sex Addicts. Latest is Asian Pantyhose II. A crew from Showcase is tailing her for the reality show Webdreams.

"At first I thought it was a joke," she says of the strange flock setting up at Booth 1527.

"It's risky for them, because we're taboo, us porn people. But at the same time they're being positive. We all think so."

So, you believe their slogan about Jesus?

"Actually, I'm Jewish."

Oh.

Moses Loves Porn Stars.
